

EASTERN PARTNERSHIP

Civil Society Forum

## **Re-granted Project WG 1: “Coordination of the EU assistance at the national level: Ukraine, Moldova, Georgia”**

**Lead Organization: Open Society Foundation, Ukraine**

**Project Objective: Produce a comparative analysis of the overall coordination of the EU assistance in Georgia, Moldova and Ukraine as well as issue recommendations and a toolkit for CSOs to engage in national budget-monitoring activities**

### **Policy Documents**

- 3 Country reports for Georgia, Moldova and Ukraine focusing on support of the Association Agendas implementation, EU assistance coordination and role of the CSOs in this process
- Policy Paper containing analysis of the problem, the elaborate list of key recommendations applicable to all the three countries and step-by-step toolkit/checklist for other CSOs to engage in national budget-monitoring activities

### **Media and Outreach activities**

- Press briefing in Kyiv to present research results and key recommendations
- Social media coverage of Kyiv expert workshop and the press-briefing – Facebook, reports on the OSF web-page
- Articles related to project results at the OSF web-page
- Blog entries with reflections on key recommendations related to increased CSO participation in budget monitoring

### **Events**

- Workshop in Kyiv with participation of project experts, the EU and government stakeholders to discuss findings and elaborate recommendations

### **Advocacy activities**

- Public presentation of recommendations for drawing attention to EU support efficiency and budget transparency
- Submission of recommendations to the EaP CSF, national governments and parliaments of Georgia, Moldova and Ukraine
- Presenting the outcomes in the WG 1 and WG 2 in the National Platforms in all the three countries
- Meetings with the EU and national stakeholders

Project Funded by the  
European Union
