

EU INTEGRATION & COMMON SECURITY: MAKING IT HAPPEN

The 6th annual meeting of the Eastern Partnership Civil Society Forum

20-21 November 2014, Batumi, Georgia

RESOLUTION: The implementation of the UN Convention on the Rights of Disabled People in the Eastern Partnership Countries

SESSION: 6th EaP CSF Annual Assembly

ADOPTED ON: 21/11/14

In order to implement effectively the UN Convention «on the rights of the disabled» in the Eastern Partnership countries, it is necessary to solve systematically the following tasks:

- to work out and define concrete measures aimed at carrying out the provisions of the UN Convention «About the rights of the disabled», which ought to become part of the working plans of Civil Society Forums of the Eastern Partnership.
- within the framework of the activity of Working Group I, it is necessary to share the experience of introducing the provisions of the UN Convention «About the rights of the disabled» into the national legislations of the Eastern Partnership countries.
- to provide people with limited possibilities and non-governmental organizations that represent them with an opportunity to participate in the work of Civil Society Forum of the Eastern Partnership.
- Working Group I should pay special attention to the creation of conditions for the barrier-free environment in the Eastern Partnership countries as it is the principal factor which affects the processes of active inclusion of people with limited possibilities in all processes of civil society's life and their real social integration.
- to develop and suggest measures of public reaction in cases of infringements of the fundamental rights of people with limited possibilities in the Eastern Partnership countries.

In order to achieve the object in view and to solve the assigned tasks, it is necessary to create within the structure of Working Group I a special target subgroup «Rights of people with limited possibilities, their social integration and inclusion in processes of civil society's activity».
