

# Strengthening higher education reforms in the Eastern Partnership countries

ALENA ZUIKOVA,

The Humanitarian Techniques' Agency,  
Centre for European Transformation

# Partners

## ▶ BELARUS

- ▶ The Humanitarian Techniques' Agency
- ▶ Belarusian Independent Bologna Committee

## ▶ ARMENIA

- ▶ Social and Kultural Innovation Lab (SKIL) Foundation

## ▶ UKRAINE

- ▶ International Foundation for Educational Policy Research (IFEPR)

# Project rationale

- ▶ Bologna process and reform of higher education in EaP countries is one of the most important tools of integration of the EaP states to the EU
- ▶ the role of possible contribution of civil society actors to the process is underestimated

# Project Goals

- ▶ To discuss, identify and compare opportunities and obstacles for higher education system in light of the Bologna Process
- ▶ To develop a joint strategy for civil society actors in Belarus, Armenia and Ukraine within the context of Eastern Partnership

# Activities

- ▶ Strategic consultation

“Reform of higher education in light of the Bologna process: Opportunities, Obstacles, Context”

What? Organisational Activity Game (OAG), 30 participants, 4 days

When? August-September, 2016

Where? Armenia

- ▶ Promoting the strategic consultation results (presentations of the report and the recommendations)

# Expected results

- ▶ Creation of functioning mechanisms for the civil society actors to contribute to the reform of the higher education
- ▶ Development of proposals of more effective adaptation of the Bologna reform to the needs of particular EaP countries

# Thank you!
